**SCORPION™**  
The small siren  
with the **BIG** sting.

**Model 3930**

**Ease of Use**

Siren tone selection is made at the touch of a button! Scroll between wail, yelp, and hyperyelp without losing the ability to choose the tone you want, when you want it. The Scorpion offers a separate function button for air horn. On the Model 3932, the horn circuit of your vehicle can be hooked to the siren for scrolling of the siren tones and air horn through your vehicle's horn switch.

**Instant On**

Allows the siren to remain ready for operation instantly without turning knobs.

**Output Short Circuit Protection**

No more damage to the siren! In the event of a speaker system short circuit, the siren simply shuts down. Once the short is remedied the siren returns to normal operation.

**Size**

The Scorpion has a very small profile measuring only 6 3/4" wide x 6 3/4" deep x 2 1/4" high, allowing it to fit in almost any location you desire. It has a rugged aluminum case work with a slide track carriage for ease of installation in siren racks, consoles, etc.

**Dimensions**

6 3/4" wide x 6 3/4" deep x 2 1/4" high

PROD. #	DESCRIPTION	LIST
3930	Basic 100 watt Siren with PA	\$233.00
39304	Basic 24v, 100 watt Siren with PA	.240.00

39324	Full feature 24v, 100 watt Siren with PA and Radio Rebroadcast	.274.00

**Model 3932**

All the features of Model 3930 plus:

**Park Kill**

This feature deactivates the siren tones when the vehicle is shifted into park. Once Park Kill is activated the siren will remain deactivated until the vehicle is shifted into gear and the siren is reactivated using the Horn Ring Scroll feature or the front panel switches.

**Adjustable Backlighting**

Backlighting is independent of siren power. Allows connecting to dimmer if desired.

**Horn Ring Remote Scroll**

The siren accepts either a positive or a ground (earth) signal, usually from the vehicle's horn switch (or other user-supplied switch), and remotely scrolls through the siren tones or activates AIR HORN function.

**Dimensions**

6 3/4" wide x 6 3/4" deep x 2 1/4" high
